

Ordering the ATRLS

Per Copy Licensing of the ATRLS gives the purchaser a license to use the software on a single computer system. The purchaser can freely transfer the license to another computer system (by removing it from the first system and installing it on another). Below quantity means the number being purchased in THIS order -- purchases are NOT cumulative.

The quantity purchaser receives one registration code for a single legal entity. This code will work with all copies of the product.

Payment Options

Check or Money Order:

There is a 5% discount for orders that are accompanied by a check or money order. MONEY ORDERS OR CHECKS MUST BE IN U.S. FUNDS DRAWN ON A U.S. BANK. The requirement that it must be drawn on a U.S. bank often causes confusion, but in practice is not as hard as it sounds. The main point is that the check that is sent must be able to be processed by a U.S. bank without manual intervention. Check with your normal bank, it is quite common for banks to have "sister" banks in other countries that can issue checks in the appropriate manner. Some credit card companies can issue appropriate checks charged against your credit card. Many countries have International Postal Orders that work fine. American Express can also issue appropriate checks. We apologize for the inconvenience, but if the check sent should require manual processing, fees in excess of \$20 can result.

Purchase Orders:

Yes, we do accept purchase orders for orders that are \$99 or more. If you like, you can FAX purchase orders to (970) 225-0335. Our terms are Net 30 with a 2% per month late charge.

Credit Cards:

We accept payment via MasterCard, Visa, American Express or Optima.

Wire Transfers:

If you wish to pay by Wire Transfer (Bank Transfer) please contact us at sales@ataman.com. You are responsible for your wire transfer fees plus additional US\$15 to cover our bank fees.
